Docket No. 98N-1265, 02 '99 APR 21 09:58
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: My compounded prescriptions, are
my personal choice, they relieve my
symptoms in a natural way
and *DO NOT INVOLVE TESTING ON
ANIMALS like Premanin. By allowing
only a limited amount of prescription
shipped out of state, would compromise
my quality of life, by restricting my
ability to obtain medication that my
doctor has prescribed. The services I need
are not provided by local PHARMACE
or commercial Pharmaceutical manufacturers.
I have a right to CHOOSE where and
now I obtain the medication I need.
